Moving On (Ghost Of The Past Book 1)

Synopsis

Moving On - Book 1 for Ghost of The Past Series
Twenty years ago, Tyler Hayes was ripped from his childhood home. After a horrific accident took his parents' lives, Tyler's grandfather removed him from the mansion and sent him away. Now his grandfather has passed away and he can finally come home. However, even in death, Tyler's grandfather has betrayed him, leaving the mansion to a woman he's never met. Even though Kate Mitchell has never met Tyler, she knows all about the accident that changed the Hayes family. What she didn't know was how she would be caught in a twenty-year estrangement between two generations. Two completely different personalities must learn to get along and play nice in order to survive a will that will change their lives.

What was this novel about?
For twenty years, Tyler Hayes had been ripped from his childhood home. After the horrific accident that took

away his parents' life, Tyler's grandfather removed him from the mansion and sent him away. Now, after twenty years, his grandfather had passed away and he could finally go home. However, even in his death, Tyler's grandfather had betrayed him once again, leaving the mansion to a woman he had never met. Even though Kate Mitchell had never met Tyler, she knew all about the accident that changed the Hayes's family. Unbeknownst to her, was how she was going to end up being caught in the middle of a long estranged relationship between two different generations. Two complete different personalities would have to learn to get along and play nice in order to survive a will that would change their lives. "What I liked from this read..... First up front, I thought "Moving On" story line was one good novel that showed one overcoming one's past and moving as with Tyler and Kate's life. This author really worked with all of the interesting secondary characters that played a well developed, colorful (Evelyn, Joanne and Marianne) part in this good flow of the story. This author held nothing back showing the struggles and growth of these two main characters showing all of the events and emotions that will come up throughout the read. What I also liked and my overall impression.....
