# Pin-Up Artist

## Synopsis

The best-selling author of *Convent of Hell* and *the Piano Tuner* brings us to an exhibition of the great pin-up artist Gil Spam. He's now a very old man in a wheelchair who can't even speak, taken care of by his lovely niece. Chapter by chapter we get to discover the real dirty story behind each wonderful slightly naughty famous piece being exhibited. How could such charmingly risqué paintings have been inspired by such utter lechery and sexual abandon? Noe delivers another raunchy, funny and beautifully painted story.

## Customer Reviews

This volume is in full color throughout, with great artwork on every page. There are plenty of sex scenes-- the book doesn't seem to go more than two or three pages without some people stripping down and getting it on-- but most of the scenes are only a page or two in length. There is more lesbian sex in this volume than in the *Piano Tuner* or *Aldana* books, but still not a lot of it. If you liked *Piano Tuner*, well this is more of the same.

Noe is a brilliant illustrator with a knack for eroticism though I liked the *Piano Tuner* and *Convent from Hell* much better.

this is my first book which contain erotic image but I Like this book, want to buy another book from noe again, his picture is beautiful, his idea was good.
