The Preacher's Wife: Discovering Layla

Synopsis

Layla was only 15 when she first met the pastor. When she became a young woman, she married him, only to find that there was a serious lack of passion in the bedroom. After prodding her husband, the two finally seek counseling for the lack of spark in their sex life. Spurred on by the doctor, Layla masturbates for the first time and discovers what she has been missing. After trying hard to re-create the excitement with her preacher husband, Layla slowly slips deeper and deeper into the world of illicit sex, torrid affairs and sexual experimentation. She becomes a bit addicted to the thrill of it all, while at the same time struggling with the morality of it. Soon she finds a man that will eventually push her limits as far as they can go.

Customer Reviews

Layla is on a journey of self discovery and I can definitely relate to that. She starts out as a novice to sex but her curiosity leads her to explore what else may be out there. She was not disappointed.

This is erotica done right. Layla is very credible as a dutiful but conflicted wife who eventually gives in to her desires. Good nighttime reading.

This was a great short read

If I had to describe this book in a word it would be "Classic". In the world of adult fiction it embodies all the elements one would expect and then some. The characters are relatable and their motivations understandable. There is no shortage of steamy encounters to keep you both engaged and excited. A great read, definitely recommended.

The Preacher's Wife, is not another erotica fiction book. The turmoil, some couples face in life is real. The author Dejaan LaFleur, has written a book releasing skeletons from the closet! A great read, the book is explicit, a book one should read that reaches deep inside of the soul, especially for those who have sexual doubts about themselves and or partner. No matter if a male or female these inner feelings and thoughts do happen, furthermore this book is a great read! I hope the author writes a series of, *The Preacher's Wife*, highly recommended!
