Hymns Of Glory, Songs Of Praise Words Edition

Synopsis

An innovative and imaginative approach by the compilers has ensured the broadest range of traditional hymns, worship songs and psalms to satisfy every musical and liturgical style. Led by John Bell of the Iona Community, the compilers selected over 850 hymns and psalms, with a wide ranging mix of traditional, modern and new material drawn from across the Christian world - primarily the USA and New Zealand, but also translations and adaptations of material from Hong Kong, Singapore, Korea, Japan and Zimbabwe. Material is included from today's most exciting composers - Bernadette Farrell, Matt Redman, John Bell and many others. These complement the traditional congregational repertoire which is also well represented here.

IMPORTANT note for those considering this hymnal!! I just bought Church Hymnary on and decided that I would also purchase what appeared to be a companion volume called "Hymns of Glory Songs of Praise." It turns out they are the exact same hymnals with different titles. At \$45 per hymnal, this is no small mistake. Other publishers have taken this approach (Presbyterian Hymnal/Psalms, Hymns and Spiritual Songs; The Faith We Sing/Singing the Faith). I find it confusing at best, deceitful at worst. Having said that, I quick look through the hymnal (hymnals) makes me excited to dig deeper into what appears to be a great collection.
