Got these in the mail yesterday! Can't wait to show them to my young grands-they are an innovative way to teach the little ones colors and shapes while teaching them about the world's different places!

This is a great board book for toddlers to enjoy learning history while they are just looking at pictures that have beautiful colors. Wonderful purchase! Totally unique learning tool and well worth it.

What a great way to teach colors & world history to our little ones!

As a Grandmother of 3, I am so excited that the 3rd will travel through this book while learning his colors. I know that the older two will love reading it to him as well. The colors are awesome! Way to be, Misti! Can't wait for the next books you have published. Joyce McHone
