# A Commentary On Jeremiah: Exile And Homecoming

## Synopsis

Jeremiah's poignant lament over Judah's social and religious disintegration reflects God's own pathos-laden yearning for his disobedient covenant people. In this widely praised expository commentary Walter Brueggemann, one of the premier Old Testament scholars of our time, explores the historical setting and message of Jeremiah as well as the text's relevance for the church today. Offering a fresh look at the critical theological issues in the Jeremiah tradition, Brueggemann argues that Jeremiah's voice compels us to rediscern our own situation, issuing an urgent invitation to faith, obedience, justice, and compassion. This combined edition of Brueggemann's original two-volume work, published until recently as part of the International Theological Commentary series, is an essential resource for students, pastors, and general readers alike. It is reprinted here with a new introduction by Brueggemann that surveys the current state of Jeremiah studies.

## Book Information

Paperback: 526 pages

Publisher: Eerdmans; 4th edition (January 6, 1998)

## Customer Reviews

The author is one of the premier Old Testament scholars of our time. This comprehensive commentary explores the historical and social world of Jeremiah and offers a theological interpretation of Jeremiah's work. Uses a combination of sociological and literary analysis to provide a fresh look at the critical theological issues in the Jeremiah tradition. This is a look that finally yields compelling insights into the message and significance of Jeremiah both for this tumultuous time in the history of ancient Israel, but also for our own complicated times. THIS IS THE COMBINED EDITION OF A 2 VOLUME COMMENTARY PUBLISHED EARLIER IN THE '90S.

Professor Brueggemann has written an extremely helpful book for the wearied and busy parish pastor who chooses to jump into the prophet Jeremiah. Brueggemann always brings to light the issue or subject that most needs thoughtful attention. I recently completed a sermon series on the prophet Jeremiah and my copy of Brueggemann's book is highlighted, underlined, and has been heavily used. One may not always agree with Brueggemann, but one never leaves without having been educated and enlightened. Very helpful for the preaching pastor!

Bruggeman is a bit too liberal for my theological tastes but he is well worth the read. He has fresh insights and a way with words that makes the text come alive. It is his different viewpoint and style that makes a lot of the Old Testament come alive for me and enriches my Christian growth. This commentary has been rewarding when I have had opportunity to use it. He makes the richness accessible to those who haven't had his kind of training. I believe you will be rewarded regardless of your theological outlook.

Walter Brueggemann's work will always provide fresh insight and give you a solid understanding of Old Testament texts. Along with Raymond Brown from the Roman Catholic side, Brueggemann is the authority. This book starts out with an overview of the scholarship and background of Jeremiah, and then provides commentary on each chapter. Very useful for preachers and for Bible Study leaders-- accessible, personable, and clearly written.

A well-wrought and thoughtful commentary on Jeremiah, more focused on larger themes and movements in particular pericopes than on word-by-word or verse-by-verse exploration. If a pastor or seminarian were looking to own one commentary on Jeremiah, it would be this one.
