Book Of Ezekiel - Enhanced E-Book Edition (Illustrated. Includes 5 Different Versions, Matthew Henry Commentary, Stunning Photo Gallery + Audio Links)

Synopsis

“I will give you a new heart and put a new spirit in you; I will remove from you your heart of stone and give you a heart of flesh.” - Ezekiel 36:26. The Book of Ezekiel is one of the major prophetic books in the Old Testament and had more influence on Revelation than any other book. It records seven visions of the prophet Ezekiel, exiled in Babylon, during the 22 years from 593 to 571 BC. The visions, and the book, are structured around three themes: (1) judgment on Israel (chapters 1-24); (2) judgment on the nations (chapters 25-32); (3) and future blessings for Israel (chapters 33-48). The book opens with a vision of Yahweh, the God of Israel; moves on to anticipate the destruction of Jerusalem and the Temple, explains this as Yahweh's punishment, and closes with the promise of a new beginning and a new Temple. God is free to judge, and he is equally free to be gracious. His stern judgments on Israel ultimately reflect his grace. He allows the total dismemberment of Israel's political and religious life so that her renewed life and his presence with her will be clearly seen as a gift from the Lord of the universe. In Hebrew the book is titled *laqzhy* meaning “God strengthens.” Some of the highlights include -- the "throne vision", in which Ezekiel sees God enthroned in the Temple among the heavenly host; the first "temple vision", in which Ezekiel sees God leave the Temple because of the abominations being practiced there; images of Israel, in which Israel is seen as a harlot bride, among other things: the valley of dry bones, in which the prophet sees the dead rise again; the destruction of Gog and Magog, in which he sees Israel's enemies destroyed and a new age of peace established and the final temple vision, in which Ezekiel is transported to Jerusalem and sees a new commonwealth centered around a new Temple to which God's glory has returned. Ezekiel had considerable influence on the Book of Revelation - more than on any other New Testament writing. To take just two well-known passages, the famous Gog and Magog prophecy in Revelation 20:8 refers back to Ezekiel 38-39, and in Revelation 21-22, as in the closing visions of Ezekiel, the prophet is transported to a high mountain where a heavenly messenger measures the symmetrical new Jerusalem, complete with high walls and twelve gates, the dwelling-place of God where his people will enjoy a state of perfect well-being. The Book of Ezekiel is presented here in five different versions with an exhaustive commentary by Matthew Henry and a stunning image gallery showcasing art inspired by The Book of Ezekiel over the ages including works from Michelangelo, Peter Paul Rubens, James Tissot and Gustave Doré. There are also links to free complete audio recordings of different versions of Ezekiel. The King James Version. Douay-Rheims Version. The American Standard Version. Bible in Basic English Version. Webster Bible Version. Matthew Henry Commentary. Image gallery. Links to free complete audio recordings of The Book of Ezekiel. *Individual Table of Contents for each

version.

Customer Reviews

I often do exegetical studies on passages and I know that even though the intended meaning of a verse is always conveyed in every bible translation sometimes the original meaning of a word can be lost when it is translated from its original language one to three times. This book does a great job of giving the reader a better understanding of scripture; something that is profoundly important. It also gives a deeper feeling to what was happening during a horrific time in the bible.

great book helped in my study

The Book of Ezekiel retains its power to move two thousand years later. This enhanced e-book edition brings the text into the 21st century. With ease you can browse back and forth between five different versions, commentary and also browse accompanying images if you so desire. There are even links to different audio versions. All this for 99c. Amazing.

I like having the enhanced ebooks to go along with my study of the Bible. This one has maps and other study helps.

I've used this book as an aide during my study through Ezekiel. It turned out to be enlightening experience. Ezekiel is not an easy book to understand, so the aid of well-organized E-book that contains five different versions and exhaustive commentary by Matthew Henry, was much appreciated. Addition of a stunning image gallery, that includes Michelangelo and Rubens works, makes this book not only educational, but also very enjoyable reading. I recommend this book as a top choice for those who are studying Ezekiel.

I bought this as a source in preparing Sunday School lessons. I had to "tune in" with Mr. Henry's writing, but really enjoyed getting more involved in Bible study using this book. I have got several by A. Pink, and now I believe I have found another source, I have to read it slow, but enjoy the time spent with it.

SUBLIME This is an interesting presentation that shows five different translations of Ezekiel. I enjoyed being able to browse between versions. This is definitely going in my digital library.

I like having five versions of the same important Bible book in one file. It's also nice to have commentary and illustrations. Ezekiel is a challenging read, but nevertheless rewarding. This was an eye-opening way to improve my understanding of the powerful messages. I look forward to more enhanced editions of books like this one.
