Customer Reviews

An easy read. Positive and spirit based. A good read for early teens to speak victory over their obstacles such as peer pressure.

A quick reminder that everything we say has power to transform Our Lives whether it's good or bad. Would have like to seen more scriptures used.

This is such a short book to be so powerful and practical, I highly recommend and looking forward to reading the other books:)

Quick read with good information. I used this as a supplement for a lesson I was teaching on the power of words.
