Customer Reviews

Wigglesworth Books are always inspiring, stirring up our faith, and teaching us how to conduct our life to bring the flow of God in our life, I recommend Wigglesworth's books, no doubt a man of God and Faith.

It is so inspiring to read about a man of God who allowed God to use him to spread the gospel and impact many lives. God's word is the same yesterday, today and forever. This book is a great reminder of this truth.

I've been inspired by ts book and love everything this man of God offers. When you read the miracles that were performed by the Holy Spirit through him will leave you to want to go after God

even more

His belief in God's word and his willingness to be used of the Lord is how God found favor in this man and used him in mighty ways. This is an abbreviated edition of Wigglesworth's sermons and the healing God put in his hands. He walked exactly what he talked and didn't allow things going on in the world in the late 1800's and early 1900's to sway him to the left or right, just straight ahead in what God had purposed for him to do.

This book is a testimony to the sincerity of great men of God in the past century. You could almost visualize the time and effort in the lines of every paragraph. The contents are as relevant today as it was then - God never changes and remains the same forever. This book is a collector-item to be preserved. It will resuscitate, generate genuine hope during these seasons of uncertainty - how glorious!

Virtually devoured this book and others, and then re-read them slowly to savour the rich and anointed truths being taught. A REAL faith builder. So many things explained and understood!

A wonderful book thank you Jesus For your Holy Spirit , I have been blessed. We all need to realize the power of the Holy Spirit and what can be done if we truly put our trust in the word of God .

Smith Wigglesworth enjoyed a close walk with GOD. His huge faith enabled GOD to work miracles through him, including many healings. The writing style is quaint, with many words now out of style but in use during the early 1900's. His books exemplify the fact that there is supernatural happenings all around us.
