# Cursive Handwriting Workbook For Adults : Children's Reading & Writing Education Books

## Synopsis

Sure, you were taught cursive handwriting when you were a kid but as an adult, you have resorted to your own style. Your own style could be printing or typing but thereâ€™s a reason why you were taught cursive. Cursive is highly effective in keeping your thoughts flowing. If you experience mental block, you can write any thought in cursive and soon, youâ€™ll be writing with purpose again. Write today!

## Customer Reviews

It is just a blank boon for you to fill it. No cursive helping

Not what was expected. An empty notepad with no exercises.

My 17YO "forgot how" write cursive because the don't make them do it in class after elementary school. She has rethought her self with this book.
