HarperCollins Bible Dictionary

Synopsis

The HarperCollins Bible Dictionary puts the latest and most comprehensive biblical scholarship at your fingertips. Here is everything you need to know to fully understand the Old Testament, the Apocrypha, and the New Testament. An unparalleled resource, The HarperCollins Bible Dictionary explains every aspect of the Bible, including biblical archaeology, culture, related writings such as the Dead Sea Scrolls, the Bible's influence on Western civilization, biblical history, theological concepts, modern biblical interpretations, flora and fauna, climate and environment, crafts and industry, the content of individual books of the Bible, and more. The HarperCollins Bible Dictionary features:

- Contributions by 193 noted experts on the Bible and the ancient Near East
- More than 3700 entries covering the Bible from A to Z
- Outlines for each book of the Bible
- 590 black and white photographs
- 53 color photographs
- An updated pronunciation guide
- 72 black and white maps
- 18 color maps
- Dozens of drawings, diagrams, and tables

ISBN-10: 0060600373

ISBN-13: 978-0060600372

Product Dimensions: 6.1 x 2.3 x 9.2 inches

Shipping Weight: 3.6 pounds

Average Customer Review: 4.7 out of 5 stars [See all reviews](#) (32 customer reviews)

Best Sellers Rank: #406,942 in Books (See Top 100 in Books) #155 in [Books > Christian Books & Bibles > Bible Study & Reference > Dictionaries & Encyclopedias](#) #329 in [Books > Reference > Dictionaries & Thesauruses > English](#) #526 in [Books > Textbooks > Reference > Dictionaries](#)

Customer Reviews

The HarperCollins Bible Dictionary is a fantastic go-to resource for anyone who has a need to learn more about a Biblical word, term, idea, concept, place, person, or topic of interest. Other Bible dictionaries exist, but most fall short of this volume. Why? Because this text breaks through the constraints of a term and definition based dictionary and dives into history, sociology, politics, Biblical interpretation (while also providing context, mission, purpose and analysis of all of the Bible's books), archaeology and culture, just to give a few examples. The book covers both Testaments and the Apocrypha. It goes without saying that this is not the type of book that one tends

to read cover to cover (I certainly didn't) so my honest review stems from how useful the dictionary has proven to be as a reference. My only critique is that some terms are given much less attention and space than others, so if you're looking for a mind-blowing insight on that arcane term mentioned only once, you may leave feeling unfulfilled. On the other hand, it only makes perfect sense that, for example, "The Temple" gets several pages while "Tishbe" gets only a short paragraph. Potential buyers should keep in mind that the "new and updated" 2011 edition of HarperCollins Bible Dictionary actually contains less information than this version (1996). The former book is also about 100 pages shorter and omits several helpful articles on topics that aren't really "terms" but derived concepts. Example includes the sociology of both testaments and the field of Biblical criticism.
