There is no greater devotion to do then to pray to such a loving mother. A loving mother who could do nothing but watch while her Son died. So many sorrows she endured for mankind. How can we not somehow, thru God's grace, get to heaven by praying the devotion that is in this book?!?! pretty much impossible. How can we repay her for her heroic kindness? By doing the devotion daily, that's how.

The price I paid for this beautiful booklet was so low, yet it is jam packed with beautiful prayers. This is the first time I have ever done the 7 sorrows of Mary. It is now part of my daily prayers.

JMJDevotion to the Seven Sorrows of Mary will obtain great favors from Her who is our life, our sweetness and our hope. This book contains devotions and meditations for doing so. These Sorrows: The Prophecy of Simeon, The Flight into Egypt, The Loss of Jesus in the Temple, The Meeting of Her Son as He carried His Cross to Calvary, Standing beneath the Cross as He died, His descent from the Cross into Her arms, and Leaving Jesus Buried in the Sepulchre. Consider the

desolation of Her Heart, which was innocent of injury. Consider how mothers everywhere suffer for their children. Unite your heart to Hers by considering Her sorrows and find consolation. Pray one Hail Mary for each of Her Seven Sorrows while considering each one and obtain great favors from Heaven for doing so.

A close friend introduced me to this devotion in March 2013 by sending me this book. I was drawn to the pictures with each sorrow, and the short prayer. I have prayed it since March 2013 daily, and feel it has changed my life. I LOVE this devotion! I love the pictures, the simple prayers, and the promises that accompany the devotion. It has been a blessing for me, and I have bought copies of this book to give to others.

Among other prayer times, this book is a helpful tool to take with you when you go for Eucharistic Adoration. You can sit for the hour with this book and make the hour have value.

A very inspiring and motivation pamphlet...read it over many times as I found it invaluable...highly recommend it.

Little book, very sweet devotional prayers. Pairs nicely with rosary devotion.

It leads one to a deeper connection to Mary and to what a mother feels.
