I Love this Manga Edition. I thought it was complete? I need Vol 4 to be released. Its not fair to leave us this way after waiting for her to reveal how she feels. You left us in a cliffhanger not knowing if it would come true. My heart can't take anymore. Please update soon... I need to know...

That was the best volume yet!! I started crying at the end since I just lost my dog but also because of Nao. I just can't wait for the next volume!!! Start from the beginning and buy the first volume

because this is a series worth reading!!!

Volume three begins where two left off. The quiet yet forceful at times steadfast love of Ayumi's childhood friend is cute to read. Even though the characters are teenagers and though it been a moment since I have been one I love this story. Now if only sThink didn't end it with such a cliff hanger.y

I am really enjoying reading this story! I hope the author continues this story. Getting to read this any where its just makes me happy!

NoooooooooooooTakano don't die please omgomgomgomhomgl'm still loving this mangalt getting more addicting by each volumel love itBut takano plzzzzzz don't dieCya tomorrow!!!

I love Your Mine and this novel is the best yet. Finally Yuma has realized her feelings! So happy! The ending was so sweet and sad. If the author lets Takano die, I will never read there works again! Please hurry with more chapters!!!

This is much better the progression and the plot also it adds personal feeling to give meaning to both characters to give the audience to actually feel something of the two can't wait for the next vol

This series is an amazing love story with humor and real life like experiences. I absolutely feel in love with it and read 3 books in 2 days. For people who like funny love stories I recommend this series. Spoiler alert it ends with your heart melting. After I read these I was just a puddle on the floor it was so good.
