Shang-Chi: Master Of Kung-Fu Omnibus Vol. 2

Synopsis

Shang-Chi: Master of Kung Fu easily ranks as one of the most iconic series in Marvel history. Doug Moench and Paul Gulacy's blend of kung-fu action and globe-trotting espionage raised the already high standard set by the title, and in this second volume, believe it or not, it gets even better! The cinematic Hong Kong showdown with Shen Kuei, the Cat; the tense "Oriental Expeditors;" the mystery of MI-6's mole; the sweeping scale of "The Return of Fu Manchu"; the epic "Saga of War-Yore"; each effort is a masterpiece of action, intrigue and drama, and none has ever looked better than in this painstakingly restored Omnibus. COLLECTING: MASTER OF KUNG FU (1974) 38-70; MASTER OF KUNG FU ANNUAL (1976) 1
