This book is great. It is a must have for every Christian. Especially helpful for topical bible studies and making you more comfortable speaking to others about many topics. The amped edition brings it up to date.

The Amped Edition makes Armed and Dangerous rock! All teenagers, no matter what age, should keep a copy on hand!

This is the electronic version of no book that my brother gave me some years ago. With this resource, you have biblical,backup for,answers to just about every issue that comes up in life. Want to know what God has to say about it? Get this book!

The scriptures are very relevant to my immediate circumstances. The content of this book can be

review over and over again.

All the scripture is in KJV which is very hard for teens and youth to understand. It kind of defeats the purpose of the book when the language used is archaic.

Must read book if you are looking for truth and God's wishes for our lives. We can never have too much information in today's world.

Awesome! Especially for new or young believers!!! A great gift for another or yourself. Easy to use for young and old alike.
