Bestselling author, Sid Roth, known internationally for his television program It's Supernatural, brings the writing of twelve highly recognized prophecy teachers in his book It's Sooner Than You Think: A Prophetic Guide to the End Times. The book is a clarion call to watch with vigilance and expectancy at a time when all seems to be getting darker. Roth reminds the reader that God's desire is to flood us with light so that we might be ready for a great end times revival. Paul McGuire leads off with an end times preview that reads like fiction. He encourages Christians to take the

Bible in one hand and the daily news in the other to find personal peace in the midst of these tumultuous times. L.A. Marzulli looks at the warning of the great deception, the signs of the times, and the similarity of the days of Noah stressing the importance of knowing we are ready. Sid Stone sheds light on the first and second comings of the Messiah, Jesus Christ, on the feasts of Israel, and revelations into the teaching of the book of Revelation. Mark Biltz goes back to the very beginning to help the reader understand the Biblical calendar with a clear message to be alert and watching for the Lords return. Tom Horn leads the reader through a prophetic maze of prototypes and patterns, Armageddon, and the infiltration of demonic elements into our national identity. Anne Rowen, John Shorey, and Ron Cantor detail the stance taken by the pre-tribulationist, the mid-tribulationist, the great tribulation, and the Anti-Christ. David Brennan and Pat Schatzline interpret teaching of prophecies on the judgments and on the remaining remnant. Dr. Jim Richards challenges the reader to trust God's promises, to follow Him, and to rely on Him for sustenance throughout these last-days.
