Customer Reviews

What I really like about this devotional is that while it covers things like fear, seeing prayer answered, and the tests that life brings our way, it does it in a way that it makes sense to kids. These lessons are in bite sized chunks so as to not overwhelm kids and are easily understandable. I'd recommend it for kids age 7-12, though it's geared for kids age 9-12.***Disclosure (in accordance with the FTC's 16 CFR, Part 255: "Guides Concerning the Use of Endorsements and Testimonials in Advertising"): I received the aforementioned product from Zondervan to facilitate an honest review.
