# Prophets II: Ezekiel And Daniel (Liguori Catholic Bible Study)

## Synopsis

The prophets Ezekiel and Daniel dealt with a people living in captivity and persecution under foreign kings. Though they mainly addressed the current issues of their era, their warnings could predict future destruction or offer peace and redemption after a period of affliction. These messages were rarely welcome, and at times they came from unwilling messengers. But in the face of confusion and suffering, paired with God's insistence, they speak with courage and give hope and truth to nations and generations.
