## Customer Reviews

This sticker book features two scenes for each story used. The first scene has a four line summary of the story and the second scene has a quote from the Bible, with the relevant chapter listed for more reading. The book is full color, and so are the stickers. There are 75 reusable stickers in this book. The stories in this book are David and Goliath, Noah's Ark, Jonah and the Whale, and The Coat of Many Colors. The stories are not in the order they are found in the Bible. There are four 8x10" pages of stickers in the center of the book. The stickers are labeled with the name of the story they go with. Your children can use the stickers in any spot in the scene pages. This is a fun way to share Old Testament stories with your younger children, and keep their attention! This is also a good activity for keeping your children busy during long church services or for church school activities or gifts. Children will need an adult to help them associate the correct stickers with the correct scenes. They will also need help reading the stories and quotes from the Bible.

Very cute sticker book. My 2 year old likes to stick the stickers that come with the book around the book. She doesn't know the concept of the Bible story yet though! She's just happy playing with the stickers.

Good activity to take to church. Held nephew's attention for about 15 minutes, which is pretty good for a 2-1/2 year old.

I'm a little dissapointed. The stickers are. It reusable. Once you go through the book once, that's it! I was expecting these to be like other reusable sicker books we have but its just a sticker book only with not very many stickers and not very many pages. It could have been great!

A larger size book with only 15 pages plus stickers. Very short stories but will work for a 2 1/2 year old. Not real impressed.

Nice book but doesn't last long as far as keeping them busy. I think there are 5 or 6 stories in it which isn't very many.

Nice book that my children enjoyed listening to while they used the stickers. The photos in the book are great for explaining the stories to my little ones.
