Customer Reviews

Hi,I bought this new book for the price of an used one and I'm really satisfied!! Great quality.

Thanks.

This item arrived early and the item was in really good shape. I would highly recommend this textbook, the stories are well layed out and there illustrated beautifully. I love that the textbook is layed out in themes.

The book was clean when I received and the material should help anybody at St joes this year pass their reading class.
