Hip Hop Family Tree Vol. 1

Synopsis

The lore of the early days of hip hop has become the stuff of myth, so what better way to document this fascinating, epic true story than in another great American mythological medium - the comic book? From exciting young talent and self-proclaimed hip hop nerd Ed Piskor, acclaimed for his hacker graphic novel Wizzywig, comes this explosively entertaining, encyclopedic history of the formative years of the music genre that changed global culture. "This is the comic of all time." - Biz Markie
