Bleach's final apocalyptic arc continues with full on actions as captains meet opponents uniquely trained and equipped to defeat their greatest weapons: bankai. Some will live and some will die in this book alone as Soul Society comes under full on attack. It's all out war - and not even the never-seen bankai from Head Captain Genryuusai may be able to save Soul Society from destruction by their greatest enemies. The one ray of hope for Soul Society is Kurosaki Ichigo - but the Vandenreich know the danger Ichigo poses and will do all they can to prevent him arriving in time to help his friends. This and the next volumes are amazing - all the Bleach action but with final consequences for all. Definitely don't miss a volume as so much is going to be revealed starting from this volume, featuring the 500th episode.

Ever since Bankai was introduced in the series I've been waiting to see two characters and finally one of the Bankai's I've been waiting for was finally shown. T.K. did not disappoint. Unfortunately this arc is the end of the series and we have been losing some great characters. R.I.P. To the fallen

I love love love Bleach! This manga is amazing and well thought out. Tite Kubo does a great job telling the story and the illustration is out of this world! If you are all about the super natural or even if you just like sword fights, then check this manga out!

I have to read at least 4 pages at a time to savor the artistry and story. Byakuya, Tite really helps you feel the pain and struggle of each character in the novel and the cover, stunning! Arigato, Tite!

I recently started collecting mangas, and now this volume is one of my favorites thus far. Plenty of action, and an overall great read if you're a Bleach fan.

Tite Kubo is now answering a lot of questions from Bleach, and foreshadowing strong possibilities of what is to come.

Following the cliff hanger in Bleach 500, the assault on the soul society continues. Byakuya's fight against As Nodt reaches its climax with As Nodt using Senbonzakura Kageyoshi against him and Renji. Mortally wounding Byakuya whose Zanpakuto begins to shatter. Elsewhere on the battlefield, Yamamoto gets his revenge on his former lieutenant's assailant. Afterwards, he reaches the enemy's leader and engages in a deathmatch, revealing his long awaited Bankai. Unleashing Zanka no Tachi: Kita: Tenchi Kaijin, has he defeated the Wandenreich or is this just the beginning?

Bleach Rocks im a fan of bleach its my favorite series right now i been supporting the manga i have 19-57 so that should tell u a lot this vol is crazy THE THOUSAND YEAR BLOOD WAR ARC is amazing this hands down there epic battles between Byakuya aint gotta spoil just check it out 500 chapter in boy going strong
