Atlas Of The World (Children's Reference)

Synopsis

This book is packed with facts and provides an exciting journey in which young readers can explore for themselves the world and its people. Each region is examined in depth, showing its position on the globe and its terrain and landscape. Fact boxes contain important information such as capital city, population, and language. The history pages give a valuable timeline of the important events in each country's past. The Atlas of the World is an indispensable source of reference for every family.

• Color illustrations & photography throughout • Locator globes & flags for every country • Comprehensive index
