# The Young People's Atlas Of The United States

## Synopsis

Youngsters will embark on an exciting and educational journey of the United States through the pages of this information-packed atlas. Over 250 full-color photos and drawings illuminate the informative text. A double-page spread is devoted to each state, featuring information on each state's geography, history, major cities, people, industry, and agriculture. A fact box offers important statistics and shows each state flower, bird, and tree.

## Customer Reviews

My kids love this book! I really like that each state is pictured on the pages that talk about it so my 4 year olds can associate the state with the name when they flip through the book on their own!
