Customer Reviews

Worst SS book ever! There is no real order to specific "topics"- such as economics, culture, etc. It is all incorporated though "stories" throughout the lessons. Terrible!!

This text book arrived yesterday, the teacher and her students were very excited to have a NEW up to date social studies book, to bring them in line with the world we live in today.

Needed copy for home, arrived quickly - New, Good bind, No written marks on any pages, Would purchase from company again

very good , we like it.

Thanks very satisfied!!

Good book.
