Bond Of Dreams, Bond Of Love, Vol. 3 (Yaoi Manga)

Synopsis

Ao is in good spirits now that he realized he was never truly rejected by Ryomei. Ryomei, on the other hand, has become a little too aware of Ao and is fantasizing about him every day! But just as the two become closer, Ao finds out he may have to move away. Will their blossoming love be over before it had its chance to bloom?

Customer Reviews

I read all four volumes in this manga back to back so at this point they are all blurring a little to me. The point is the general story and how it played out. This was my second m/m manga and I'll be honest, there is something about these that are enthralling. I wonder if f/f would be the same. The drawing left a little to be desired since Ao had huge eyes and a girlish figure. I actually find that incredibly off-putting. Why can't two guys look like normal guys? Why does one have to look like a girl? On top of that Ryomei was buff, tall, and a total guy's guy. I was really bummed by that since they were so stereotypical. At the same time I loved how the author approached the romance. It wasn't 'hop in the bed' type of romance which was great. They were friends. They wrestled with feelings. They kissed and tried a date. They struggled. They discussed sex. They had sex. Etc. Etc. The author actually took the time in four volumes to convince me Ryomei and Ao were perfect for

each other. By the time they slept together in volume 4, I was absolutely riveted. There were some under-developed characters in this story such as Ao's brother, Ryomei's cousin (sister? I don't remember), and Ryomei's best friend. Also there was some weird undertone with Ao's best friend who was clearly gay but I was unsure who he had a crush on. It was confusing and the majority of the side characters were unnecessary other than allowing dialogue. This was an enjoyable foray into the popular m/m manga category but unfortunately the library has no categorization of them and very few options other than the two series I've read. It's sad. I recommend this series for the romance and for the representation of a healthy sexual m/m romance. I was really excited to read this one and can't wait to find something similar. Any recommendations? 3 Stars Originally Published 2008-2011 14 Volumes Provided by--the Library

Yaya Sakuragi never disappoints. This story is well written, the art is good (as always), and she develops her characters well. I can't wait to read the rest of her works. Get this series! You won't be disappointed.

~3.5/5 [More of my reviews are available on my blog, Geeky Reading, to which there's a link on my profile.] (Contains minor spoilers.) This series is getting rather more enjoyable the more I read. I felt really bad for Ao in this volume. The poor sweetie is just having a really hard time, not feeling like anyone really wants him. He needs to talk with his Grandma, and I really hope that happens in the next volume. When things work out between him and Ryo, he's also going to need to talk with his mom. I would like to actually meet his mom, too, as she seems like she could be a really sweet lady, who just wants to be close to her sons. Plus, I'm sure things will work out, especially since I see something happening between Hako and Aka. Ao and Ryo seems like things are finally going to be working out in the next volume, which I had no doubt of, but still. Ryo took way too long (although probably a reasonable amount of time, really). And I just felt so bad for Ao, feeling like neither his Grandma or Ryo wants him, and then when that date went so badly | His face when he's upset just makes me want to cry along with him. I'm really wondering what's going on/going to happen with Shunpei. I still love Shuji and Chii, they are such a cute father/daughter pair. They're still very much my favorite. I just smile every time they show up. I am rather excited to read the next volume, as I'm looking forward to seeing how the story is going to wrap up.

What a refreshing approach to teenage love. No sex yet in this volume - just dream sequences. All incomplete. Ryo is so oblivious to his own feelings and responses to Ao - he has to be a comedian.

There are so many things going on at the same time as the romance, it's like a soap opera. Can't wait to see the progress in Volume 4!

I'm a Yaya-sensei fan so I'm a bit biased, but the book was wonderful. Artwork is beautiful. And, the story is just so sweet. ^^ If you've already bought the first 2 volumes I don't see why you would stop there. x3

This is one of my favorite BL stories! There is actual character development in both leading characters and its still super sexy and sweet! A recommendation to all yaoi lovers!
