Customer Reviews

On the run from Luigi, a leader of the Mafia who's determined to have her as his wife, Caterina Campanelli starts a new life for herself in Pendleton, Oregon. There she befriends Aundy and Garrett Nash, characters from the first book of this series. She also meets the handsome young deputy Kade Rawlings. While there is undeniable chemistry between them, Caterina is determined to never fall in love with a law man, since she knows many of them to be crooked. Meanwhile Kade is determined to never marry, knowing that as a lawman his family will always be in danger. Can Caterina and Kade ever be together? This book was just ok. I loved the first book of this series

(Aundy) and loved it so much I read it twice. Based on how much I loved the first book in this series, (which I was able to get for free) I went ahead and bought this second book and the third book in the series (which for me is a huge compliment to the author because I never, ever pay for books).

Unfortunately I was very disappointed by this book and frankly I didn't think it was worth the \$2.99 I spent on it. I forced myself to finish reading it simply because I had paid for it and because I wanted to write a thorough review. There were two main reasons why I didn't enjoy this book: I didn't love the main characters and the story line was boring and illogical. Caterina was very impulsive and had way too short of a temper for a 22 year old woman. If the author had made her 17 or 18, I would have been more accepting of her immature and childish behavior. I also didn't like Kade and how he treated Caterina, particularly in the first half of the book. He was a jerk and a brute and in many ways no better than Luigi from the mafia.
