2009 Excerpt: "When I tell friends at home in Canada about the things I have seen, they often say, 'It must be so depressing!' But my work has never felt depressing. Doctors Without Borders is an organization built to act, to make things better. Together with other volunteers and the support of millions of people around the world, we don't have to sit by helplessly and see a disaster unfold before us, wondering what on earth we can do. The gift of action is ours."
