Island Of Fire (The Unwanteds)

Synopsis

The fate of Artima is at stake and an unlikely alliance could redeem it in book three in the New York Times bestselling Unwanteds series. The magical world of Artima is gone. The Unwanteds have no food, no water, and no hope. And everyone is looking to Alex Stowe for answers.

Overwhelmed and feeling totally helpless, Alex knows it's up to him to find a way to restore Artima, rescue his captive friends, and free Megan from her voice-stealing necklace of thorns—three impossible tasks. But could help lie with the silent, orange-eyed newcomers?

Meanwhile, in the stark land of Quill, Alex's twin brother Aaron continues to build his army, preparing for the ultimate showdown with the Unwanteds. But a shocking twist reveals that Alex and Aaron share a common enemy more dangerous than either could have imagined...

Customer Reviews

This is the third book in the Unwanted series by McMann. McMann has said that she has seven books planned for this series. This was a decent book in the series, the beginning was a bit slow but it picked up pace in the second half of the story. I read this with my six year old and we both enjoyed it. The following contains spoilers from book 2, so just be aware of that before reading on. This book

picks up right where *The Island of Silence* leaves off. Alex and crew are struggling with Mr. Today's death and trying to survive on the barren part of the Island that used to be Artime'. Lani and Samheed are still being held captive on Warbler island. Aaron is still doing his best to take over the rule of Quill (the dystopian society that Alex and the other Artimeans were purged from). This book is mainly about the struggle to restore Artime' to its former glory, rescuing Lani and Samheed from Warbler Island, and discovering a new Pirate Island. This book was engaging and easy to read. There are lots of wonderful characters here as well. Alex plays the lead role throughout the book as he struggles to restore Artime and take over Mr. Today's role as head mage. He struggles a lot with the responsibility and the stress of it. He also struggles a lot with confidence, as the book continues he grows into his responsibilities and learns it's okay to believe in himself and to accept help from his friends as well. The other two characters that play very large roles in the story are Simber and Sky. Sky is the silent girl that was introduced in *Island of Silence*. She is smart, supportive, and an excellent compliment to all of the stress that Alex is dealing with.
